The Bursa Chamber of Commerce and Industry of Turkey presents its compliments to your esteemed institution.

We would like to inform you about the **Bursa Marble Block Fair** which will be organized between **November 2-5, 2016 at Bursa International Fair and Congress Center - Bursa, Turkey.**

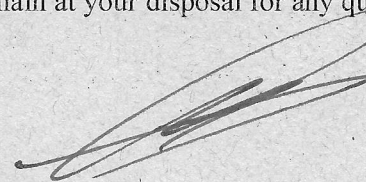

As one of the Macro Projects managed by our Chamber, the Commercial Safari Project promotes the international trade of Bursa by inviting professional international buyers to the trade fairs in Bursa.

In this context, we are currently organizing an international buyers' mission program for the participation in the Bursa Marble Block Fair which aims to be a pioneer not only in Turkey, but also in the whole world by exhibiting thousands of block marbles and by bringing together hundreds of manufacturers. Bursa Marble Block Fair, organized in 2015, took place in a total of 40.000 sqm grounds in 7 separate halls with the participation 148 firms and firm representatives from 12 countries. For more information on the fair, please visit <http://www.blokmarmarfuari.com/en/index.html>

Turkey's natural stone industry holds an important place in the world thanks to product diversity, reserves, an abundance of raw materials, a dynamic industry structure, maritime and other varieties of transport methods and their convenience, lucrative state incentives and competitive taxations. Marble is the most consumed natural stone. Turkey has a variety of marble reserves that come in 650 different colors, patterns and quality levels, beginning with one of the first birth places of the marble industry, the Island of Marmara and Thrace within the Marmara region, followed by the Aegean and Eastern Anatolia regions.

The participation in the Bursa Marble Block Fair is funded by the Bursa Chamber of Commerce and Industry, Republic of Turkey Ministry of Economy General Directorate of Exports and TÜYAP Fairs and Exhibitions Organization, Inc. which will enable the international participants to have **free accommodation for 3 nights, Istanbul-Bursa-Istanbul transfer and transfer between the hotel and the fair ground.**

We would appreciate your kind assistance regarding the dissemination of the information on the fair to the concerned professional institutions and companies. We remain at your disposal for any queries you may have. Thank you for your kind co-operation.
